A request for receipts or other evidence of payment shall be provided by the party seeking reimbursement upon request of the party from whom reimbursement is sought. The party from whom reimbursement is sought shall make such reimbursement, or make acceptable payment arrangements, within 45 days of the request for reimbursement. Both parties shall use their best efforts to obtain services that are covered by the insurance. A party who is entitled to receive reimbursement from the other party for medical costs not covered by insurance shall, upon request of the other party, provide receipts or other evidence of payments actually made.
